

78°47'E

An aerial photograph showing a village nestled between two rivers. The Bhagirathi River flows from the top left towards the right. The Khera gad River flows from the bottom right towards the center. The village, labeled 'Dharali Village', is situated in the center, with a road labeled 'Uttarkashi - Gangotri Road' passing through it. The date '13.06.2024' is printed in the top left corner. A yellow line outlines the riverbanks. The terrain is hilly and forested.

Satellite image acquired on 7th August, 2025 after the flood event. The impact is seen in Dharali village and surroundings depicting the flood affected buildings, roads, and plantations. The roads affected by floods in the debris deposited area is highlighted.
